TECHNICAL STATEMENT

This Technical Statement concerns the above captioned Petition for Rule Making, to which this Statement is Exhibit "A".

WTRW Incorporated, the Petitioner, had the President of the Company, Mark Heller, conduct a technical study and prepare necessary Statements and Exhibits to support the Petition for Rule Making of WTRW to amend Section 73.202(b) of the FCC's Rules to allot Channel 281A to the City of Algoma, Wisconsin, as that community's second aural broadcast service.

The City of Algoma, Wisconsin, reference Geographic Coordinates, specified in the Department of Interior Geological Survey are :44 - 36' 32" North Latitude and 87 - 25' 57" West Longitude.

Exhibit "C", an FM Channel 281A Distance Separation Study, with the City of Algoma, Wisconsin reference coordinates as base, sets forth all FM broadcast station assignments, applications and allotments relative to an allotment of FM Channel 281A at Algoma, Wisconsin, with a distance in kilometers and bearings in degrees True from the City's reference coordinates.

There is no short-spacing to any existing station, allocation or allotment in regards to this petition. There is no site restriction required.

The F (50,50) 70.dBu (3.16 mV/m) predicted "Principal Community Contour" of a typical Class A FM Broadcast station radiating 6.0 kilowatts from an antenna radiation center height of 100.0 meters is a predicted distance of 16.5 kilometers (10.25 miles).

Numerous transmitter sites exist from which the requisite "Principal Community" coverage can be achieved to the City of Algoma, Wisconsin. There is no airport located in Kewaunee County, Wisconsin, and placing a tower within the area, should not be a concern for the FAA.

CONCLUSION

The Allocation of Channel 281A to Algoma, Wisconsin can be accomplished with no channel substitutions, nor anyshort-spacing to any existing station, construction permit or allotment.

WTRW's proposed Amendment of Section 73.202(b) of the FCC's rules, Table of FM allotments, shall provide the residents of the City of Algoma, Wisconsin, and the vicinity, a second aural broadcast transmission service.

Sincerely,

Mark Heller
